About Highlandtown

Highlandtown is vibrant, creative, international and eclectic. We are home to the Creative Alliance, Great Halloween Lantern Parade, Maryland Traditions Folk Life Festival, Highlandtown Gallery, Y:ART Gallery and others. We showcase our local talents with Mariachi bands, painted screens and public art.

We're home to Baltimore's best park: Patterson Park. Voted one of the top ten urban parks by Forbes Magazine, the park serves over 50,000 people a year who walk, jog, bike, play on sports leagues and attend fitness classes.

We're a neighborhood of makers. Designers, jewelry makers and puppeteers work alongside coffee roasters, piñata makers and chefs. We're home to a muralist who opened an international residency program, a tech company inventing new phone apps and sculptors creating custom bus shelters!

Highlandtown is the place to come for authentic food options like Chicken Rico, Matthew's Pizza, and Snake Hill Tavern. Be sure to visit Hoehn's Bakery, G & A Restaurant and Di Pasquale's Italian Market—place—they've been calling Highlandtown home for over 100 years!

We've always been a neighborhood of immigrants. Originally settled by immigrants from Germany, Poland and Italy, Main Street retailers now come from five continents, including Africa, Asia, Europe and the Americas. We're a walkable neighborhood, too—with a Walk Score of 90—and our sidewalks are filled with runners, dog walkers and families out for a stroll.

Highlandtown is a place where you want to hang out, bring your friends, and be yourself. We're a neighborhood filled with diverse people sharing their experiences. We invite you to be a part of our community—whether for a visit or as a place to call home.

Directions to Highlandtown

Taking the bus from downtown?

Take CityLink NAVY (eastbound); stop at the western entrance to the district at Eastern Ave & East Ave (keep an eye out for the Creative Alliance) or continue down Eastern Ave for additional stops.

Driving into town to explore?

From South of Baltimore:

Take I-95 North to Exit 57 (Boston St/O'Donnell St). Keep right to take the ramp toward Boston St. Merge onto Interstate Ave. Turn left onto O'Donnell St. Cutoff, keep to the left at the fork. Turn right at S. Conkling St. and in 6 blocks you will reach Eastern Ave and the heart of Highlandtown!

(Tolls on both I-95 and I-895 at Harbor Tunnel)

From North of Baltimore:

Take I-95 South to Exit 59 towards Highlandtown. Continue on Eastern Ave. Once you reach Haven St. you have entered Highlandtown!

There is metered street parking (it's free on Sundays!) along Eastern Ave. and Conkling St. Free parking is also available in the residential areas just a block or two off of Eastern Ave.
