

About Highlandtown

from five continents, including Africa, Asia, Europe and the Americas. We're a walkable neighborhood, too—with a Walk Score of 90—and our sidewalks are filled with runners, dog walkers and families out for a stroll.

We're a neighborhood of makers. Designers, jewelry makers and puppeteers work alongside coffee roasters, piñata makers and chefs. We're home to a muralist who opened an international residency program, a tech company inventing new phone apps and sculptors creating custom bus shelters!

Highlandtown is the place to come for authentic food options like Chicken Rico, Matthew's Pizza and Snake Hill Tavern. Be sure to visit Hoehn's Bakery, G&A Restaurant and DiPasquale's Italian Marketplace — they've been calling Highlandtown home for over 100 years!

Highlandtown is a place where you want to hang out, bring your friends and be yourself. We invite you to be a part of our community—whether for a visit or as a place to call home.

Highlandtown is vibrant, creative, international and eclectic. We're home to the Creative Alliance, Great Halloween Lantern Parade, Highlandtown Wine Festival, Highlandtown Gallery, Y:ART Gallery and more. We showcase our local talents with Mariachi bands, painted screens and public art.

We neighbor Patterson Park, voted one of the top 10 urban parks by Forbes Magazine. The park serves over 50,000 people a year who walk, jog, bike, play on sports leagues and attend fitness classes.

We've always been a neighborhood of immigrants. Originally settled by immigrants from Germany, Poland and Italy, Main Street retailers now come

Acerca de Highlandtown

Highlandtown es vibrante, creativo, internacional y ecléctico. Somos el hogar de la Creative Alliance, el Gran Desfile de Linternas de Halloween, el Festival del Vino de Highlandtown, la Galería Highlandtown, la Galería Y: ART y otros. Mostramos nuestros talentos locales a través de Bandas de Mariachis, rejillas pintadas y arte público.

Cercanos a Patterson Park, votado como uno de los diez parques urbanos principales por la revista Forbes. El parque sirve a más de 50,000 personas al año, que caminan, trotan, andan en bicicleta, juegan en ligas deportivas y asisten a clases de acondicionamiento físico.

Siempre hemos sido un barrio de inmigrantes. Originalmente establecido por inmigrantes de Alemania, Polonia e Italia. Actualmente, los comerciantes de la calle principal provienen de los cinco continentes: África, Asia, Europa y América. También somos un vecindario transitable, con una Puntuación de Transitabilidad (Walk Score) de 90, nuestras aceras están llenas de corredores, caminadores de perros y familias paseando.

¡Somos un barrio de creadores. Tenemos diseñadores, fabricantes de joyas y titiriteros trabajando junto a tostadores de café, fabricantes de piñatas y chefs. ¡Somos el hogar de un muralista que abrió un programa de residencia internacional, una empresa de tecnología que está inventando nuevas aplicaciones para teléfonos y escultores que crean paradas de autobuses personalizadas!

¡Highlandtown es el lugar ideal para disfrutar una variedad de opciones de platillos auténticos, como Chicken Rico, Matthew's Pizza y Snake Hill Tavern. Asegúrese de visitar la panadería Hoehn's Bakery, el Restaurante G&A y el mercado italiano DiPasquale's Italian Marketplace. ¡Todos ellos han llamado a Highlandtown su hogar por más de 100 años!

Highlandtown es un lugar donde quieres pasar el rato, llevar a tus amigos y ser tú mismo. Te invitamos a ser parte de nuestra comunidad, ya sea como visitante o como un lugar al que llames hogar.
